

COVE
Center of Vision Enhancement
Resource Center for Blindness and Low Vision

Donation Form

Last June, we made a dream come true by opening our Center to support those of the community who are blind, visually impaired or have low vision. Our dedicated volunteers are here to help. If you haven't stopped by, please do so at 510 W 25th Street in Merced. We are open Monday - Thursday from 10:00am – 2:00pm.

We are waiting to hear the results of several grant applications. In the meantime, we need to meet the basic costs of rent and utilities. Please consider making a tax-deductible donation. Any size donation is appreciated.
